

Mystai of the Moon Membership Form

Thank you for your interest in the **Mystai of the Moon**. We are a group of women dedicated to sharing Sisterhood with those who embrace their birthright as **Daughters of the Goddess** and want to explore the **Mysteries of the Goddess Hekate**. Our beliefs are encapsulated in our **Manifesta**. We ask that you read over the **Manifesta** provided here, and agree to all it states. Then just answer the questions below and send it to dreamweaver93@sbcglobal.net

Manifesta of the Mystai of the Moon

- 1) We were once held by patriarchy, but it no longer has us.
- 2) We recognize that negative emotions such as hatred and fear only feed on themselves and cause destruction of our souls.
- 3) We believe that happiness is something we can nurture in our daily lives.
- 4) We believe that Joy is a natural state of being.
- 5) We can create the world in a new vision by daring to dream and think our vision and then living our vision into reality by treating it as already present in the world.
- 6) We believe that even in the most ordinary moments, life can be great.
- 7) We believe that love can change the course of the world.
- 8) We believe that the fundamental purpose in life is to allow ourselves to experience emotional and spiritual growth.
- 9) Learning from and sharing with our Sisters enables us to grow strong together.
- 10) We know that hate, anger, and violence are the tools of patriarchy and its weakness. These tools can be met by and countered with our own inner power and strength.
- 11) We are competent women and have much to offer the world.
- 12) We are responsible for our own actions. We are not responsible for the actions of others, but we can be responsive to their needs.
- 13) We are the Daughters of the Goddesses in all Their myriad and wonderful manifestations. As such, we claim our own birthright of Goddess power and womanspirit and sisterhood to dream our new dream and make it real!
